## ALLAN BONNER JOINS

Allan Bonner Communications Inc. of Toronto has formed an alliance with Ken Kansas Communications of New York.

Allan Bonner, President, says "We've always sought out interesting markets and the toughest clients in the military, police, international diplomatic corps and the resource sector. This latest alliance is with the best people in North America and Asia who will help serve our challenging clients."

Ken Kansas, founder and owner of Ken Kansas Communications in New York adds, "After over 34 years in the oil industry handling spills, energy crises, and a Nobel Prize nomination, I was sure I had seen it all. But

Allan Bonner's training programs are the most comprehensive and thoughtful I know about. That's why I'm delighted with this association.

The alliance builds on the existing affiliations which
